

Environmental Studies Stewardship Intern Program

Are you looking for...

- *A paid internship at a unique and beautiful park*
- *Environmental Studies internship credit*
- *Experience in outdoor research*
- *Work experience in an urban park*
- *Time to explore 660 acres and learn about one of Duluth's premier parks*

Do you have...

- *A great attitude and work ethic*
- *A desire to work hard and get dirty while learning*
- *The ability to commit to six weeks this summer*

...Then check
out our **ESS
Intern Program**

Hartley Nature Center

3001 Woodland Avenue Duluth, MN 55803
218.724.6735

The Program...

- ESS Interns are current/recent college students who commit to work part-time for the six-week/120hr. program, mid-May through June.
- Guided by experienced staff, interns will work collectively and individually on a variety of real world, hands-on projects in an urban nature center setting. Experiences may include invasive controls, construction, trail maintenance, ecological surveys and habitat restoration.

... & Benefits:

- Make connections with knowledgeable staff from a variety of fields and maybe even a future employer.
- Upon completion of the program, interns receive \$250, some Hartley parting gifts and a thank-you dinner.

Hartley Nature Center is dedicated to inspiring lifelong connections with nature through education, play and exploration.

Sound like a fit for you?

Send us your application! We accept application materials year-round. Please submit:

- ✓ Resume
- ✓ Cover letter describing career goals and interest in this program
- ✓ A minimum of two professional or educational references
