- A paid internship at a unique and beautiful park
- Environmental Studies internship credit
- Experience in outdoor research
- Work experience in an urban natural area
- Time to explore and learn about one of Duluth's premier parks

Do you have...

- A great attitude and work ethic
- A desire to work hard and get dirty while learning
- Positive energy and a passion for the outdoors
- The ability to commit to six weeks this summer

...then check out our ESS Intern Program

Hartley Nature Center

3001 Woodland Avenue Duluth, MN 55803
218.724.6735

www.hartleynature.org

The Program...

- ESS Interns are current/recent college students who commit to work part-time for the six-week/120hr. program, mid-May through June.
- Guided by experienced staff, interns will work collectively and individually on a variety of real world, hands-on projects in an urban nature center setting. Experiences may include invasive species control, construction, trail maintenance, ecological surveys, and habitat restoration.

& Benefits:

- Make connections with knowledgeable staff from a variety of fields and maybe even a future employer.
- Upon completion of the program, interns receive a small stipend, some Hartley parting gifts, and a thank-you lunch.

Hartley Nature Center is dedicated to inspiring lifelong connections with nature through education, play and exploration.

Sound like a fit for you?

Send us your application! We accept application materials year round. Please submit:

- Resume
- Cover letter describing career goals and interest in this program
- A minimum of two professional or educational references
