

# Schedule a Party at Hartley

unique interactive educational

Have an event your child will remember—schedule a two-hour birthday party at Hartley Nature Center! Naturalist-led programs are one-hour with a second hour for your own activities. We provide the outdoor space and staff naturalist. You provide food and drinks and any decorations, if desired.

**\$100 members/\$150 non-members**

Fee includes use of outdoor campus, exclusive use of the yurt or an indoor classroom and program for up to 12 children (\$8 for each additional child, 15 maximum)

## Program Offerings

**Insects and Spiders** Learn about their bodies, behaviors, and relationships. With nets in hand, students will sweep through grass and overturn rocks and logs to catch them in action. *(Ages 3-10, May-Sept)*

**Animals, Tracks, and Traces** Every animal leaves something behind! Be it tracks, scat, fur, or evidence of a home, gather clues about the lives of local animals while learning about their adaptations and habitats. *(All ages, all year)*

**Crayfish!** We'll take to the streams with nets in hand to catch & release this interesting animal and its fellow stream dwellers. *(Ages 8+, May-Sept)*

**Beavers** Beavers change the world! Learn about beaver adaptations while hitting the trail to check out habitat and look for signs of beaver activity. *(Ages 3-10, all year)*

**Life in the Pond** The pond is full of life, both floating on top and deep in the mud. Use nets to catch and identify insect larvae, tadpoles and other pond dwellers. *(All ages, May-Sept)*

**Birds** Explore basic bird biology, identification, and learn about seasonal bird behaviors through observation and outdoor activities. *(All ages, all year)*
